(Designation) Director of Fisheries,

To The Secretary to the Government of Madras,

Development Department.

Sir,

Ref:- My letter No.1713-C/39-5 dated 30.9.1939.

In the correspondence resting with my letter (H) quoted above, I have brought to the notice of Government the cases of three women teachers selected for training as Fisheries stipendiaries in 1936. I now enclose copy of a petition dated 8.11.1939 received from Miss.U.G.Puthamma. She belongs to the batch of the Kanarese women teachers selected in 1936. Out of the six women teachers selected for training, only three passed the T.S.L.C. Examination of 1938. Miss. U.G. Puthamma is reported to have passed subsequently.

The remaining two women teachers, viz. Miss. Anna Karat and Minny Karkada, have not yet passed the T.S.L.C.Examination.

2. As the rules stand at present, the petitioner, Miss. Puthamma though trained in the ordinary training school at the expense of this Department, can be entertained in service only after her certificate is completed by passing the practical test. As she underwent two years training at Mangalore with stipend granted by the Fisheries Department for being subsequently trained in the Fisheries Training Institute and employed in Fisheries schools, the Sub Asst.Director of Fisheries recommends that Miss. Puthamma may be exempted from the rules. I support his recommendation.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Fisheries.

Copy of Petition dated 8.11.1939 received from Miss.U.G.Puthamma, 'Champaka Vilas', Bendoor, Kankanady Post,Mangalore(S.Kanara).

I beg to enclose herewith a copy of order No.3274-F/38 dated 10.6.1939 of the Sub Asst.Director of Fisheries,West Coast,Calicut on my petition dated 3.6.1939 for favour of your kind reference as I understand that exemption have now been granted by Government to certain teachers who have been once discharged on account of their not passing the practical test. I beg to state this subject to correction and request that I also may be granted exemption and favoured with a teacher's post. I passed the T.S.L.C. Examination in 1939. I beg to add that I for myself trained as a Fisheries stipendiary student.

To D.S.

Under the Special Rules for the Madras Elementary Subordinate Service, candidates for appointment to the service in the category of Higher Elementary Grade teachers should possess a completed licensed teacher's certificate. Under the Madras Educational Rules a certificate is said to be completed only after the teacher holding it has passed the practical test conducted by the D.E.O. or his deputy after rendering at least 18 months' approved service in a recognised school within a period of three years from the 1st April of the year in which the teacher has passed the Training School Leaving certificate examination. One Mrs L.P. Puttamma passed the T.S.L.C. Examination

nation in the H. E. grade in 1939 and she has applied for exemption from the possession of completed certificate so as to enable her to be appointed as teacher in fisheries schools. The D.F. recommends her request for the reason that she underwent two years' training with the stipend granted by the Dept. for the special purpose of being subsequently trained in the fisheries Training Institute (which has since been closed) and employed in fisheries schools.

2. The age limit fixed for candidates for appointment as teachers in fisheries schools is 30. Miss. M. J. Puthanveed's date of birth is 7-1-20. As she passed the J S^L.C. Examination in 1939, she has time till 1-4-42 to complete her certificate. She has never been actually employed as a teacher in a fisheries school. In the case of the three teachers referred to in G.O. No. 482 (M.) Dev. dt. 1-3-40, the rule regarding the possession of a completed certificate was relaxed for the

~~The following were the main reasons in regard to which the rule was relaxed~~

following main reasons :-

Of Pub Dept: note at 'M' on p. 22 ante
D 482 Dev (H)
1-3-40

(1) That as they had ~~having undergone~~ undergone training in the ordinary training school at Mangalore as fisheries stipendiaries (i.e., at Govt: Cost, the money spent by Govt: on their training would be a waste unless their services were utilised in the dept:; and

(2) that in the ordinary course they would have time till 1.4.41 to complete their Certificates and that it would be difficult for them to complete the certificates unless they were employed as teachers in the fisheries schools.

No. 35 I Govt.

The first reason applies to the case of the petitioner ~~also~~ who was also a fisheries stipendiary. As regards the ~~first~~ second reason, the petitioner has got longer time viz. till 1.4.42 to complete her Certificate. She should in the ordinary course get employed in recognised schools and

after passing the practical test before 1.4.42 apply for appointment as teacher in fisheries schools. If she is not able to complete the Certificate by rendering at least 18 months' service in any recognised schools ~~she~~ before 1.4.42, she will have to ~~lose~~ lose the status of a Certificated teacher, unless the period is extended by the D.E.O.

3. It is for orders whether the petitioner will be exempted from possessing a completed trained Certificate for appointment as teacher in fisheries schools. If so, the remarks of Dept (Sec) may be minuted.

In the Labour dept the rules provide for the entitlement of a probationary trained teachers Certificate holders in the Labour Schools, provided they had been trained at the cost of the Labour Dept. The rules observed in the Labour dept, and the precedent in G.O. 482 dt 1.3.40 may be relied upon and the exemption asked for granted

17/4

The case of the Labour School teachers does not help us in deciding this case, unless we are prepared to relax the rules of the Madras Fisheries Sub: Service in this respect on the lines of the rules relating to the Madras Labour Sub: Service (Temp)

2. We may relax the rules in this case also on the analogy of the Cases dealt with in G.O. 482 dt 1.3.40 The case is similar to those Cases, except that the Candidate in this case has a longer time (one year more) to complete her certificate. But it may not be possible for her to find employment in a recognised school in time to complete her certificate even before 1.4.42

CHIEF S T.

Public (Rules) Department.

Submitted that in the circumstances stated by the Development Department (in their note at pp 1-5 ante), this department may agree to the woman teacher in question being appointed to the Madras Fisheries Subordinate Service by relaxing the relevant rules in her favour. The proposed relaxation will not affect any member of the Madras Fisheries Subordinate Service adversely and hence circulation to His Excellency is not necessary. A_1 should however see.

2. In this connection, it is observed that there are yet some more women teachers who were trained at the cost of the Fisheries Department and who are likely to apply for similar exemption from the possession of the completed trained teachers' certificate with a view to appointment in the Fisheries Department. Development may therefore consider whether in order to obviate the necessity for having to grant frequent exemptions, the Madras Fisheries Subordinate Service Rules may not themselves be suitably amended so as to enable the appointment of teachers trained at the expense of the Fisheries Department, even though they do not possess a completed certificate at the time of appointment.

3. With these remarks, the file may be returned to the Development Department.

To A.S.

The file relates to the proposal for relaxation of the qualification rule requiring possession of a completed trained teachers' certificate, so as to enable one Miss U.G.Puthamma, a Fisheries stipendiary, to be appointed as teacher in Fisheries schools. The case is similar to the cases disposed of in G.O. No.482(Ms)Dev. dated 1-3-40 except that this candidate has longer time (one year more) to complete her certificate. But it may not be possible for her to find employment in a recognised school in time to complete the certificate even before 1-4-42. The Public(Services)Dept. have agreed to the proposal.

2. With reference to para 2 of the Public(Ser) Dept. note, the D.F. may first be consulted.

Miss U.G.Puthamma was trained with the help of a stipend given by the Fisheries Department in the Training School, Mangalore, with a view to ~~continue~~ eventual employment in the Fisheries Department after a subsequent training in the Government Fisheries Training Institute, Calicut. The Training Institute was closed in 1937 and she could not therefore complete this probationary training. She does not also hold a completed trained teachers' certificate as required by

the special rules of the Madras Fisheries Subordinate Service for appointment as a teacher in a Fisheries School. As she has been trained at the expense of Government and as it may not be possible for her to find employment in a recognised school in time to complete her certificate before 1-4-42, His Excellency the Governor is pleased to direct under section 241 (5) of the Govt. of India Act, 1935, that sub-rule (b) of rule 4 read with Annexure I in the special rules for the Madras Fisheries Subordinate Service be relaxed in the case of Miss U.G.Puthamma, so as to enable her to be appointed a teacher in Fisheries schools. She should, however, complete her certificate within the three years' period mentioned in rule 142 of the Madras Educational Rules and, if any extension is required, necessary action should-be taken with reference to rule 145 of the same rules.
